

**Echos of past boys and girls
A past resident of FARATSIHO ...**

" I am a « past girl » of the orphanage, I lived there for five years until 1997. I wish a long life to Sister Francoise Marie because she was like a mother to me. I am married now and I have three children. Thanks to all the Sisters: Sister Francois Marie, Sister Janine, Sister Francois Romaine, Sister Benedict...I miss you so much.

Goodbye to all. Mbolatiana

I advise all the children in the orphanage to make the most of your opportunities because many children who live in our Island would have liked to come to this establishment but they did not have the chance. Study hard and do all that is necessary to help the Sisters and to work hard because all of it is a preparation for life.
