

Yaoundé 2020, a vibrant community!

4 Aspirants are learning about our congregation,

LAURIANE

In the community we welcome 4 Aspirants, among them is a young woman called Lauriane who visits us and has come to spend four days with us. We introduced her to community life as we went to the market, made liquid soap and lived our ordinary daily life. What joy to meet each other and to pray together!

3 Postulants in their second year are following their formation courses there,

The Postulants arrived in Yaounde on 10th September 2019. They follow inter-postulant courses and courses in the community in which they live.

Last year they were in Bamenda, Nkongsamba and Yaounde, according to the plan of the Team responsible for initial formation. As well as following some internal courses, they go three times a week to a Language College for French classes for the English speaking girls and English classes for those who speak French.
