for the Pastoral Zone of Lamballe

## Together, in the Universal Church!

«New wine, new wine skins» (Mt 9)

Father Laurent Le Meilleur , Parish priest of the Pastoral Zone -

*« It is a beautiful and heavy mission, which consists in working zealously in the service of the brothers and sisters of this parish to the point of giving our whole life... we entrust ourselves to you all. Alone, we can't do anything. But with the support of all, anything is possible... »*

replaced by P. John Marie, a new priest, missionary of the Congregation of Missionary Servants of the Poor, who is assisted by two other Congolese priests of his Congregation: P. J. Jacques and Theodore, and Fr. Yves Poilvet from the Loudéac region.

*So let us trust and let us take the road together without fear!*
